

help those in agribusiness, like in the 13th District of Illinois, my district, where agriculture is king and is so much a part of our local economy. They depend on drones.

The growing use of drones and unmanned aircraft in this field are affecting wide swaths of the country. When you look at my district, we have to start talking about some of the other drone issues that I and my colleagues on the Transportation and Infrastructure Committee have worked on over the last few years that I have been blessed to serve in this institution.

It was an amendment I offered to a previous FAA reauthorization that allowed for microdrones to have a category in and of itself. We don't need this committee actively trying to influence what we would consider the hobby aircraft industry. If a drone is below 4.4 pounds, we believe anyone who wants to utilize this technology should have the opportunity to do so.

Madam Speaker, I encourage all of my colleagues to support S. 2730, and I reserve the balance of my time.

Ms. NORTON. Madam Speaker, I reserve the balance of my time.

Mr. RODNEY DAVIS of Illinois. Madam Speaker, I want to say in closing, I encourage all Members to support this bill.

I also want to say thank you to the colleagues that don't get a chance to come back here on January 3, like Mr. CUNNINGHAM and so many of my other friends. These are good people who served in a great institution where we worked together to make sure we made this country a better place. I thank them for their service.

Madam Speaker, I yield back the balance of my time.

Ms. NORTON. Madam Speaker, as is often the case, it is difficult for Congress to stay ahead of the technology that it must regulate.

Madam Speaker, I urge my colleagues to support this legislation, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from the District of Columbia (Ms. NORTON) that the House suspend the rules and pass the bill, S. 2730.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the bill was passed.

A motion to reconsider was laid on the table.

SECRET SERVICE OVERTIME PAY
EXTENSION ACT

Mr. RASKIN. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the bill (S. 5036) to amend the Overtime Pay for Protective Services Act of 2016 to extend the Secret Service overtime pay exception through 2023, and for other purposes, and ask for its immediate consideration in the House.

The Clerk read the title of the bill.

The SPEAKER pro tempore (Mr. CUELLAR). Is there objection to the request of the gentleman from Maryland?

There was no objection.

The text of the bill is as follows:

S. 5036

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Secret Service Overtime Pay Extension Act".

SEC. 2. EXTENSION OF OVERTIME PAY EXCEPTION THROUGH 2023 FOR PROTECTIVE SERVICES.

(1) in the section heading, by striking "2020" and inserting "2023";

(2) in subsection (a), by striking "during 2016, 2017, 2018, 2019, or 2020" and inserting "during any of calendar years 2016 through 2023"; and

(3) in subsection (b)(1)—

(A) by inserting "for a given calendar year" after "for premium pay"; and

(b) REPORTS.—

(1) DEFINITION.—In this subsection, the term "appropriate committees of Congress" means the Committee on Appropriations, the Committee on Homeland Security and Governmental Affairs, and the Committee on the Judiciary of the Senate and the Committee on Appropriations, the Committee on Oversight and Reform, and the Committee on the Judiciary of the House of Representatives.

(2) REPORT ON EXTENSIONS.—Not later than January 30 of each of calendar years 2021, 2022, and 2023, the Director of the United States Secret Service shall submit to the appropriate committees of Congress a report on the effects of the amendments made by subsection (a) and the amendments made by section 2(a) of the Secret Service Overtime Pay Extension Act (Public Law 115-383; 132 Stat. 5121), which shall include, with respect to the previous calendar year, the information described under paragraphs (1) through (7) of section 2(c) of the Secret Service Recruitment and Retention Act of 2018 (Public Law 115-160; 132 Stat. 1246).

(3) OPEN RECOMMENDATIONS.—Not later than 60 days after the date of enactment of this Act, the Director of the United States Secret Service shall submit to the appropriate committees of Congress a report discussing the progress of the United States Secret Service in implementing each recommendation of the Government Accountability Office to the United States Secret Service that has not been designated as closed by the Comptroller General of the United States.

The bill was ordered to be read a third time, was read the third time, and passed, and a motion to reconsider was laid on the table.

LEGISLATIVE PROGRAM

(Mr. HOYER asked and was given permission to address the House for 1 minute.)

Mr. HOYER. Mr. Speaker, the Republican whip and I have been discussing where we are and to bring Members up to speed on what status we have for today and the next few days.

Mr. Speaker, as everybody in the House knows, and America knows, as of midnight tonight, the government will run out of authority to operate and run out of funds, authorization, to be spent. As a result, everybody is working very, very hard on both sides,

the Senate and the House, to try to come to agreement not only with respect to funding of the government, but also with respect to the response to COVID-19 and the pandemic that afflicts our people and has afflicted our economy in a very negative way. So we are trying to get to an agreement, trying to get paper done.

Mr. Speaker, I have told the Republican whip that we intend to ask for a recess until 5 o'clock this afternoon, which would give us 3 more hours to work on both the discussions. And I just got off the phone with the Speaker, who just got off the phone with Senator McCONNELL, and so we are hoping that, in the next 3 hours, we will have a clearer picture of where we are.

Mr. Speaker, I yield to the gentleman from Louisiana (Mr. SCALISE), my friend.

Mr. SCALISE. Mr. Speaker, I thank the gentleman for yielding.

As the gentleman from Maryland pointed out, we know government funding expires at midnight. Clearly, we have been working for days in a very productive way to get close to an agreement on both funding of government as well as COVID relief. We are not quite there on all of these details, but we are eager to see if we can get this resolved.

As the gentleman knows, everybody, Members on both sides are very interested in finding out what the schedule will be. I appreciate that update, and I imagine that means we will stay tuned and see if, between now and 5 p.m., we can get that resolved.

Mr. HOYER. Mr. Speaker, I thank the gentleman.

For the general Membership, I would urge them, however, to keep tonight free, tomorrow free, Sunday free, and such days thereafter as we may need—and I hope we do not need any of those days—so that we can, A, pass funding for the balance of the fiscal year until September 30 of next year, and that we can give the kind of relief that, frankly, Mr. SCALISE and I have been talking about for the last 3 weeks, for small businesses, people on unemployment insurance, people who are having trouble putting food on their table, transportation systems that are about to shut down, and other relief that both sides are trying to come to an agreement on.

Mr. Speaker, I urge every Member to keep their schedule free, essentially, for such days as it takes to accomplish those two objectives.

Unless the gentleman wants to say something further, I yield back the balance of my time.

COMMUNICATION FROM THE
CLERK OF THE HOUSE

The SPEAKER pro tempore laid before the House the following communication from the Clerk of the House of Representatives:
